ALLIES & ORGANIZATIONS

Bharnum spent most of the last decade with the dwarven military and was a standard bearer stationed near Mithril Hall. He was involved in a skirmish against "some nasty Underdark beasties" (he's not inclined to expand on this unless he's incredibly drunk) and soon after left the service entirely.

Upon returning home to his family, he and his twin sibling Bhailee decided to form a band. The prefer to perform in upscale urban taverns, but will occasionally take a gig in an open-air park, though Bharnum tends to drink heavily when they do.

Bharnum's time with the dwarven military has strained his relationship with his twin Bhailee. While typically very close, there are times where the two simply don't see eye to eye.
